To Deaf / Mainstream Schools,

My name is Seth Gerlis, President of i DEAF NEWS. We are a new non-profit organization as a media outlet for the deaf and hard of hearing community. The i DEAF NEWS embraces internet videos news making it accessible to all deaf and hard of hearing people, including students, faculty, and administrators in America Sign Language (ASL). We believe in the universal value of education by sending internet news and update information to the viewers.

Our purpose is to deliver news in the quickest manner to schools and to provide them with good exposure of news shared by all schools, which are school announcements, video or student films, news or athletic achievements by deaf and hard of hearing athletes.

The i DEAF NEWS provides live and pre-recorded video news via the internet specifically oriented to the interests and education of the deaf and hard of hearing school community. We believe that through our news programs, the deaf and hard of hearing people throughout the USA and eventually, the world, will enjoy and benefit from news pertinent to the lives of people that can identify with issues related to the deaf and hard of hearing people.

Our mission is to assist members of the deaf and hard of hearing community who endeavor to stay abreast of not only the general news they watch via network and cable news programs, but the news that are relevant to their daily lives and livelihood as deaf and hard of hearing people. Becoming and staying abreast of news can develop the informed into a well-rounded person each aspires to be.

If you have any questions, please feel free to contact me through videophone at 512-410-1824 or via e-mail, which is sethgerlis@ideafnews.com.

I look forward to working closely with schools in providing i DEAF NEWS in the near future, share with us with school news.

Respectfully yours,

Seth J. Gerlis
