December 22, 2016

Dear parents/guardians,

Earlier this year, we sent home the Student/Parent Handbook 2016-17. As we wrap up the fall semester, we noticed a few things were happening that became a distraction at school. This letter is to inform you of minor changes to our Dress Code policy, which will become effective on Monday, January 9, 2017 when the students return to school.

Please see attached the Dress Code Policy from our Student/Parent Handbook page 26 with changes made in **BOLD**.

Students are expected to follow the updated dress code policy when they return to school on Monday. Please sign below that you both received a copy of the updated dress code policy and return the signed portion of this letter to school on Monday, January 9, 2017.

I hope you all have a wonderful and safe Holiday! Be safe! Enjoy time with your family and friends. I will see you when you return on Monday, January 9th!

Sincerely,

Ryan Gollner
Principal

I, _____, have received and read the updated Dress Code policy from the Student/Parent Handbook. I have given this signature page to the Assistant Principal.
